## Step-2: Signup Page (signup.html)

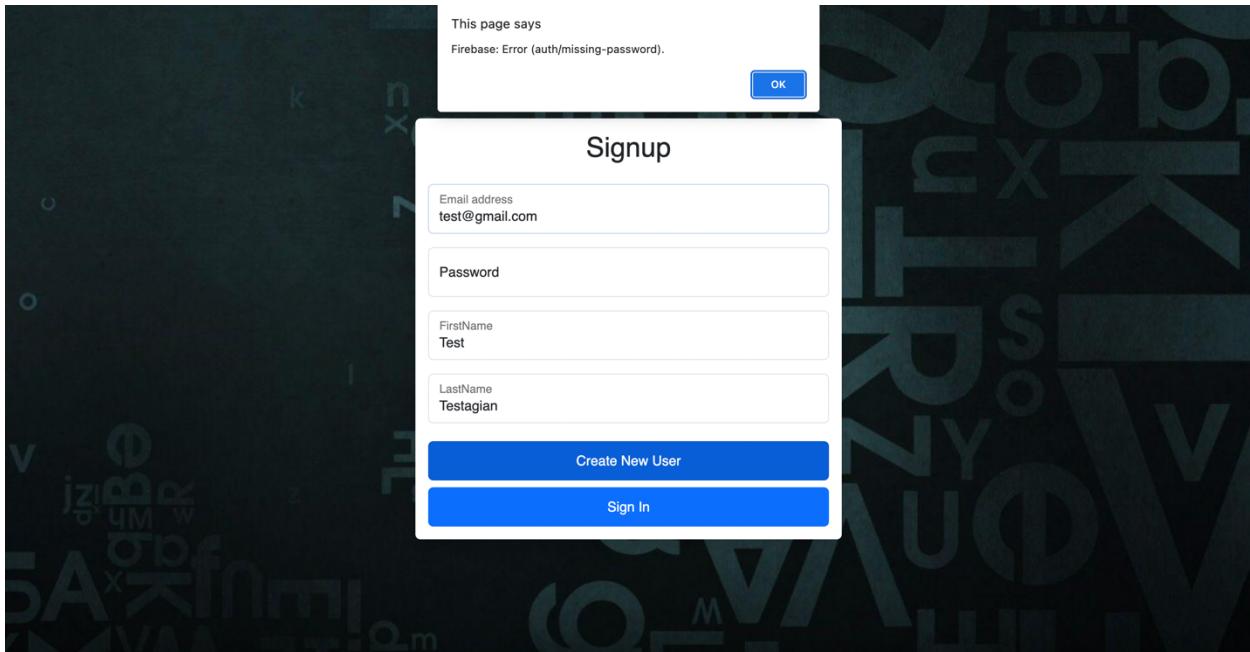

The screenshot shows the "Signup" page of the "Beyond the Pages" website. The page has a dark background with large, semi-transparent letters of the alphabet floating around. A modal dialog box is centered on the page, containing the following fields:

- Email address: test2@gmail.com
- Password: (redacted)
- FirstName: Test
- LastName: Testagian

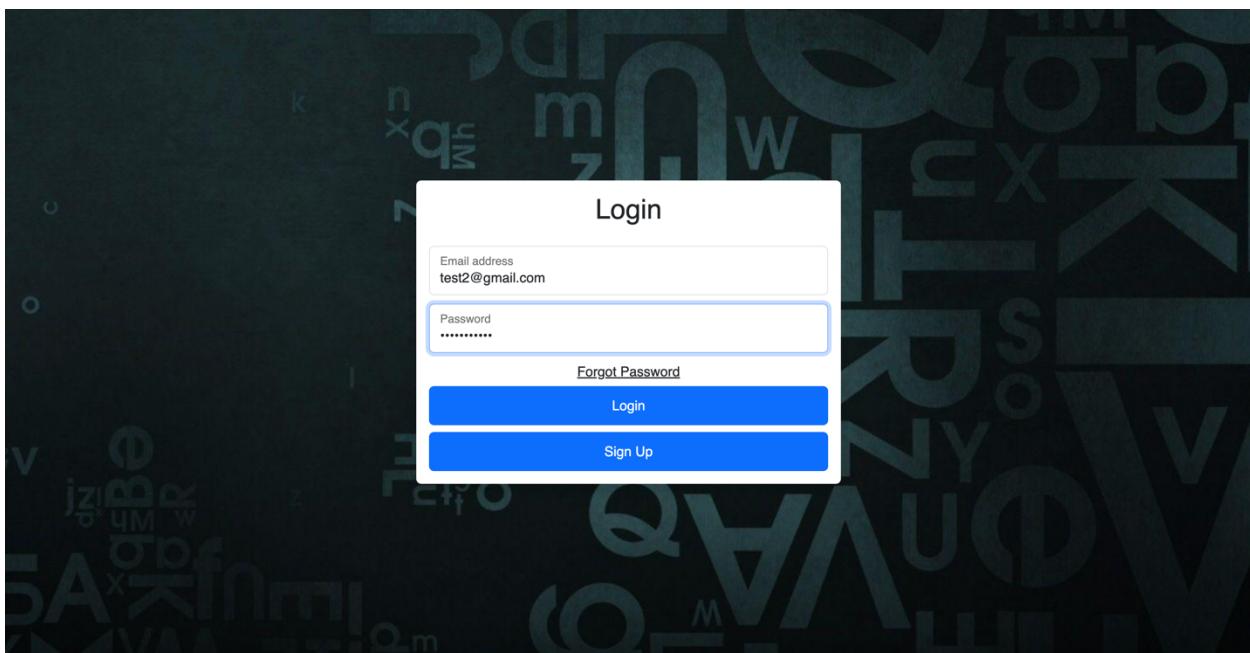

Below the form are two buttons: "Create New User" (in white text on a blue background) and "Sign In" (in white text on a blue background).

A small message box at the top right of the screen displays the text "This page says" followed by "User successfully registered" and an "OK" button.

Step-3: If you re enter the same email to signup or enter incorrect format it dosent let you signup

Step-4: Login Page(login.html). After signing up successfully you'll be sent to login page.

## Step-5: Your Profile(user.html)

Welcome to "Beyond the Pages"

Step-7: If you try to search a story and want to read it it redirects you to that page

# The Tell-Tale Heart

July 2, 2021

Step-8: If you don't want to do the above in the Home page(index.html), you can select guest mode, which redirects to a prompt page guest\_success.html and after 4 seconds it automatically redirects to guest\_login.html

Step-9: Guest Mode(Guest\_login.html). It provides limited guest access.

A screenshot of the "Beyond the Pages" website in Guest Mode. The header features a blue banner with the text "Welcome to \"Beyond the Pages\"". Below the banner is a promotional message: "Don't limit yourself 📚👉 Discover 🎉, Rate ★★★★★, and Create Amazing 😊💬 Short Stories 📅". The navigation menu includes links for "Guest Profile", "About Us", "App Features", "Recommended Stories", "User Review's", "Download the App", "FAQ's", "Contact Us", and "Connect on Social Media". A "Guest Profile" section displays a placeholder image of a smiling man. The "About Us" section states: "Beyond the Pages is an innovative platform that helps you explore and interact with stories in a whole new way. Whether you're a reader looking for your next adventure or an aspiring author, our app has something for you." The "Features" section lists: "Rate and Review Short Stories", "Create and Share Your Own Stories", "Discover a Diverse Library of Books", and "Connect with a Reading Community". The "Featured Stories" section is currently empty.
